A message to all swimmers, coaches, officials and parents from

The President of Corby Amateur Swimming Club

On behalf of Corby ASC I offer all of you a very warm welcome to this Open Meet.

We have a virtually full entry of competitors for all 4 sessions of this Open Meet and lots of Qualified Poolside Officials and some Trainee Poolside Officials coming along. These are the people dressed in white tops and black trousers or skirts around the pool and their role is to see that the swimming rules are complied with and that all swimmers are given a fair and equal opportunity.

I will now just tell you a little bit about the history of competitive swimming in England. A colleague at Corby ASC recently asked me if I was a member of a swimming club when I was a boy. I explained that the world was a very different place then with very few indoor swimming pools and even fewer swimming clubs.

As a boy I grew up in Lincolnshire so in the summer my mates and I cycled about 11 miles to swim in the outdoor Boutham Baths in Lincoln which opened in 1914 and closed in 1978 and was famous for its long queues and its freezing water. In the winter we cycled about 13 miles in the other direction to swim in the indoor heated Lea Road Baths in Gainsborough which opened in 1881 and also closed in 1978.

There are now indoor swimming pools and swimming clubs in both Lincoln and Gainsborough. Indeed there is now at least one indoor swimming pool and one swimming club in most towns and cities in the country and sometimes more in the larger towns and cities as well as swimming pools in some schools and elsewhere. This growth in our sport really started to take off in the 1960s and 1970s and there are currently over 1200 swimming clubs supported by Swim England.

Here at Corby we count ourselves lucky to be able to train and run galas, swimming competitions and open meets here in the magnificent Corby East Midlands International Pool which opened in 2009, replacing the old Corby Swimming Pool which had originally opened in 1965 and led to the founding of the Corby ASC.

The Corby EMI Pool includes a swimming pool which can be set at 25 metres for short course swimming or 50 metres for long course swimming and has a balcony which seats about 400 people. There is also a 20 metre training pool, a set of diving boards, a fun pool, a gymnasium, a dance studio, a meeting room and also a cafeteria within the facility.

Outside of the Corby EMI Pool you can see a square named after local soldier James Ashworth VC, the Corby Cube which is the offices of North Northamptonshire Council, a statue of a Corby steelworker and the town centre across George Street.

To return to the swimming, I urge all swimmers to give of their best so that we see lots of personal bests, I urge the coaches and parents to give the swimmers every encouragement and I urge everyone to enjoy themselves this weekend and to continue to enjoy the physical and social benefits of being involved in competitive swimming for as long as possible.

Finally, I want to thank the staff here at the Corby EMI Pool, our many Volunteers, Poolside Helpers and Poolside Officials who have supported this Corby ASC Open Meet this weekend.

Howard Wilkinson, President, Corby ASC.
