COVID19 INFORMATION

As all Covid legislative requirements for the control of Covid have been lifted by the Government, we recommend continuing to follow their ongoing advise.

To continue with limiting the spread of this virus we ask swimmers, coaches, helpers and spectators that have Covid symptoms or have tested positive for Covid not to arrive at the pool and continue following Government guidance. For swimmers who are isolating due to Contact with someone with Covid, or who has Covid then they are to contact CASC via email as early as possible and certainly before the warm up on the day through their coach so that they can be withdrawn. A full refund will be returned to the swimmer at the discretion of the Promoter, following any guidance in place from SE at the time and also, providing we have been informed before the warm up of the day they are competing.

A message to all swimmers, coaches, officials and parents from

The President of Corby Amateur Swimming Club

On behalf of Corby ASC I offer all of you a very warm welcome to this Open Meet.

While the Covid-19 Pandemic which came along in March 2020 stopped everything we are now back to normal. That said, Covid-19 has not entirely gone away so we must all continue to take care.

We have a full entry of competitors for all 4 sessions of this Open Meet and lots of Poolside Officials and some Trainee Poolside Officials coming along. These are the people dressed in white around the pool and their role is to see that the swimming rules are complied with and that all swimmers are given a fair and equal opportunity.

Today I will just tell you a little bit about the town of Corby. The town was originally just a village which can still be seen near the east end of the town. However, the presence of very large iron ore beds in the area led to the development of the iron and steel industry and the town grew rapidly from the 1930s. However, by the end of the 1970s the demand for iron and steel had massively reduced and Corby, like many towns in this fast-changing world, had to re-invent itself and today there are industrial estates on all sides of the town.

You can see a statue, unveiled in 1989, of a Corby steelworker wearing a flat cap, scarf and apron and holding a ladle on a plinth which bears an appropriate dedication and other features on the opposite side of James Ashworth VC Square to the Corby EMI Pool.

Lance Corporal James Ashworth VC (1989-2012) was a local boy who attended Lodge Park Academy and went on to become an outstanding soldier. Sadly he lost his life while serving with the British Army in Afghanistan. He was posthumously awarded the Victoria Cross which is the highest award for gallantry in the face of an enemy.

We count ourselves lucky at Corby ASC today to be able to train and to host swimming competitions in the magnificent Corby EMI Pool which was opened in 2009, replacing the old Corby Swimming Pool which opened in 1965 and led to the founding of our club.

Many swimmers at this two-day Open Meet will get the opportunity to swim in events in which they do not often get the opportunity compete in.

I urge all swimmers to give of their best so that we see lots of personal bests, I urge the coaches and parents to give the swimmers every encouragement and I urge everyone to enjoy themselves this weekend and to continue to enjoy the physical and social benefits of being involved in competitive swimming for as long as they can.

Finally, I want to thank the staff here at the Corby EMI Pool, our many Volunteers, Poolside Officials and Poolside Helpers who have supported this Corby ASC Open Meet this weekend.

Howard Wilkinson

President, Corby ASC
