TRANSGENDER & NON-BINARY COMPETITION POLICY

As of 1st September 2023 Swim England and their regions, Counties, clubs and affiliated organisations will be implementing this new policy.

Swim England's updated transgender and non-binary competition policy has inclusion and fairness at its very heart. In order for all aquatic disciplines to be enjoyed as sport, there must be inclusive opportunities for transgender participants to compete. However, it is widely recognised that fairness of competition must be protected and Swim England believes the creation of open and female categories is the best way to achieve this.

The Categories are designated as:

Female – The Female category is for birth sex females in accordance with Swim England's Transgender and Non-Binary Competition Policy. By entering the 'Female' category, a swimmer confirms that their birth sex is female. In this entry package the Female category is referred to as Girls.

Open/Boys – Athletes with a birth sex of male, trans or non-binary competitors and any competitor not eligible for the female category.

It may be that software running this meet may not have been updated in time to cater for these changes and may only refer to Boys.

A message to all swimmers, coaches, officials and parents from

The President of Corby Amateur Swimming Club

On behalf of Corby ASC I offer all of you a very warm welcome to this Open Meet.

We have an almost full entry of competitors for all 4 sessions of this Open Meet and lots of Poolside Officials and some Trainee Poolside Officials coming along. These are the people dressed in white around the pool and their role is to see that the swimming rules are complied with and that all swimmers are given a fair and equal opportunity.

Today I will just tell you a little bit about this part of North Northamptonshire.

At the very northern end of the county - just south of Stamford - is the border with Lincolnshire which, at approximately 18 metres long, is the shortest county boundary in the United Kingdom.

At the north-western corner of Corby is Rockingham Castle with its splendid views over the Welland Valley and far beyond. Like many castles around the country it was originally built on the orders of William the Conqueror in order to strengthen his control of the country; it was later a royal hunting lodge within Rockingham Forest.

Further north is the amazing Harringworth Viaduct which crosses the Welland Valley between Northamptonshire and Rutland in spectacular fashion. It is approximately three quarters of a mile long, has 82 arches, required well over 20 million bricks to build and was opened by the Midland Railway in 1878. Further north still is Rutland Water, a very large reservoir, actually in Rutland.

There was another royal hunting lodge within Rockingham Forest at Geddington but it is long gone. However, Geddington is still well known for its Eleanor Cross, the village being one of the resting places of the body of Eleanor of Castille, wife of King Edward I, on its journey from Harby in Nottinghamshire where she died in 1290 to London. There is also a medieval bridge over the River Ise which was built in 1250. Nearby is a magnificent stately home called Boughton House which is surrounded by a large park.

At Rushton is the Triangular Lodge which was built by Thomas Tresham between 1593 and 1597. Thomas Tresham was the father of one of the Gunpowder Plotters who tried to blow up King James I and Parliament in 1605, the other plotters including Robert Catesby and Guy Fawkes. We mark this occasion with bonfires and fireworks on 5th November every year.

To return to the swimming, we count ourselves lucky at Corby ASC today to be able to train and to host swimming competitions in the magnificent Corby EMI Pool which was opened in 2009, replacing the old Corby Swimming Pool which opened in 1965 and led to the founding of our club.

I urge all swimmers to give of their best so that we see lots of personal bests, I urge the coaches and parents to give the swimmers every encouragement and I urge everyone to enjoy themselves this weekend and to continue to enjoy the physical and social benefits of being involved in competitive swimming for as long as they can.

Finally, I want to thank the staff here at the Corby EMI Pool, our many Volunteers, Poolside Officials and Poolside Helpers who have supported this Corby ASC Open Meet this weekend.

Howard Wilkinson, President, Corby ASC
