MOBILE PHONE POLICY

Swim England have experienced a significant increase in safeguarding referrals for incidents of mobile phone use in the changing rooms.

Currently this issue is cause for 10% of all Swim England safeguarding cases:

So far this year there have been 7 cases reported to Swim England, one of which unfortunately took place at a Northamptonshire event six weeks ago. It has been identified that if cases continue to be reported at this rate, we would see almost double the number of cases this year than last.

Using a mobile phone in the changing rooms for any reason is completely prohibited and will not be tolerated by Corby ASC this weekend. In line with the Conditions, any individual found to be using their phone, however innocently it may seem, will be asked to leave the gala. There are no exceptions. Phones should be away in bags, pockets, or lockers at all times whilst in The Changing Village area. This applies to all swimmers, officials, event staff, coaches, and team managers.

Using a mobile phone in the changing rooms to take indecent images of others is a **criminal offence**. If anyone sees anybody with a phone in the changing village please ensure you immediately report this to The Promoter (Ken Pratt) or Corby ASC Welfare Officer (Fiona Horne) who will be at this event. Corby ASC will report the incident to Swim England and the Police.

Please have conversations with your swimmers to ensure they fully understand the ban of Mobile phones in the changing village. We do not want to have to ask them to leave the gala. There are no exceptions to this rule.

The following mitigations will be put in place over the weekend,

- CCTV is in place over the entrances to and corridors of the changing rooms
- Changing rooms on the furthest side from the pool will not be in action. This is due to these cubicles being considered an additional risk due to a lack of CCTV coverage in that area.
- Marshalling for 50m events will take place on that side of the changing village in order to release cubicles that would otherwise be blocked whilst marshalling is taking place.
- In addition to cubicles, female swimmers will have access to four group changing rooms. Keys for these changing rooms can be signed in and out at the medals desk with the prompt return of them to the desk.

It is imperative that we work together to stamp out incidences of this unacceptable behaviour which causes untold distress to swimmers.

If you have any questions or concerns, please feel free to raise them with me, otherwise I look forward to seeing you all this weekend for another two great days of racing.

A message to all swimmers, coaches, officials and parents from

The President of Corby Amateur Swimming Club

On behalf of Corby ASC I offer all of you a very warm welcome to this Open Meet.

We have a virtually full entry of competitors for all 4 sessions of this Open Meet and lots of Qualified Poolside Officials and some Trainee Poolside Officials coming along. Their role is to see that the swimming rules are complied with and that all swimmers are given a fair and equal opportunity. We also have lots of Helpers coming along.

Today I want to talk about the massive importance of volunteers at all swimming clubs. Swimming clubs are voluntary organisations and running a swimming club is the equivalent of running a small-to-medium-size business.

Here at Corby ASC we have a Executive Committee which includes the Club Chairman, Secretary, Treasurer and Galas & Fixtures Secretary. Beyond that the Club Committee includes the Membership Secretary, Disability Coordinator, Swim Mark Coordinator, Events Coordinator, Swim Shop Manager, Team Administrator, Marketing Coordinator, Head Coach and a Club Steward who looks after our trophies, etc. We also have a Welfare Team consisting of two people, a Team Manager and a Volunteers Coordinator. The Head Coach leads a whole team of coaches who coach the various squads wonderfully well according to their age and ability.

The Poolside Officials include Timekeepers, Judges Level 1, Judges Level 2, Starters and Referees who are qualified and licensed in their respective roles - except that Timekeepers are qualified and registered rather than licensed. The training of these Poolside Officials follows the above order, starting with Timekeeper then Judge Level 1 and so on and is usually carried out by a Qualified Referee. Their roles at meets depends on the level of the meet - Level 1, 2, 3 or 4 - and their qualification.

Helpers include Automatic Officiating Equipment (AOE) Operators, Recorders, an Announcer, Marshalls to organise the swimmers for their races, Doorkeepers, Refreshments Distributors, Runners to post up race results and Medals Table Staff. No-one is asked to fulfil a role until it has been fully explained to them. We also have an Open Meet Organising Committee at Corby ASC.

You will find a similar structure at most swimming clubs except most clubs do not run Open Meets. Unfortunately, since the Covid Pandemic stopped competitive swimming from March 2020 until the summer of 2021 a growing number of swimmers' parents are declining to help, citing the demands of their work, lack of confidence, health problems and so on. Consequently it is becoming ever more difficult to organise galas, swimming competitions and open meets.

Nevertheless, as you can see, at this Corby ASC Open Meet this weekend, we have managed to find an army of volunteers who are provided by Corby ASC and by the visiting clubs. Please think about volunteering and help support your club in some role. The benefits of becoming involved include making new friends at your own swimming club and at other swimming clubs and learning to work in a very orderly way.

To return to the swimming, I urge all swimmers to give of their best so that we see lots of personal bests, I urge the coaches and parents to give the swimmers every encouragement and I urge everyone to enjoy themselves this weekend and to continue to enjoy the physical and social benefits of being involved in competitive swimming for as long as possible.

Finally, I want to thank the staff here at the Corby EMI Pool and our many volunteers who have supported this Corby ASC Open Meet this weekend.

Howard Wilkinson, President, Corby ASC.

It is vital that stairs, walkways and thoroughfares must be kept clear of persons and bags.

There are no expected Fire Alarms so should the fire alarm sound spectators and coaches should evacuate the building immediately. Swimmers have a two stage evacuation and if the alarm sounds swimmers should follow the lifeguard's directions and queue up alongside the poolside fire exits. Should swimmers need to evacuate then they will leave by the fire escapes having been given foil blankets. The assembly point is by the Corby Cube (Large glass Building) to the left of the main entrance.

If a competitor has any known condition that may affect the swimmer during the meet then the meet promoter and the referee should be made aware. This information will be passed onto the pool staff to ensure they have the appropriate level of people to deal with any potential problem occurring during the gala.

All swimmers should have suitable footwear on when not in the changing rooms or poolside.

For Health and Safety reasons at the end of each event swimmers must remain in their lanes in the pool until released by the referee.

It is the responsibility of the Club's Team Manager and/or the Lead Coach at the meet to ensure that the conduct of their swimmers is of the correct standard at all times. Those individuals are also responsible for the safety of their swimmers, including their welfare at all times. Failure of coaches and/or Team Managers to control their swimmer's actions and protect their swimmer's welfare, and possibly the welfare of others, may result in complete expulsion from the meet. Please respect not only the people involved in running the meet, but also the Pool Centre staff, the building and facilities as well as members of the General public who will have access to certain areas of the building during the meet.
